Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated that base claims 1, 3 and 6 may be obvious over the combination of the above shown references. However, anticoagulant proteins with sequences shown in claim 2 are novel and non-obvious. Ms. Koral examined the above shown art and subsequently gave the examiner authority to bring the limitations of claim 2 into claims 1, 3 and 6 and to cancel non-elected claims in an Examiner's amendment.
